## SI-TECH WIPER INSTALLATION

Congratulations on your recent purchase. We have been producing high performance vision products since 1963. Our motto is to bring the highest quality products to market that our customers can use with pride and confidence. Our heritage in the racing and motorsports world has allowed us to develop products with top racing teams in the world. These relationships have allowed us to develop the most high performing and durable products on the market today.

**Let's install your new wipers**
